Authorization

I hereby authorize North Star Graphics to charge the indicated credit card my monthly web hosting fees, as currently applies for the hosting account plan I requested at the time of the account sign up. I agree that this is a periodic charge that will be made according to my billing cycle, and that to terminate the recurring billing process I must cancel my account. I understand that all account cancellations must be made in writing according to the requirement of the North Star Graphics Terms of Service Agreement, which I have read and understand. Terms of Service can be found on their website at www.northstargraphics.net/tos.html. I will not dispute North Star Graphics recurring billing with my credit card issuer so long as the amount in question was for service rendered prior to my canceling my account in the manner required by the Terms of Service.

I agree that any credits issued by North Star Graphics under their service uptime guarantee will not be refunded to my credit card, but rather the amount of the service credit will be deducted from my next billing cycle. I agree that if I have any problems or question regarding my hosting service provider, I will contact North star graphics for assistance, using the contact information located on their website at www.northstargraphics.net. I agree that I will not dispute any charges from North Star Graphics unless I have already attempted to rectify the situation directly with North Star graphics and those attempts have failed.

I authorize North Star Graphics and their sponsoring agency to run an address verification search. This verification process is a security measure to protect me, the client, from illegal fraud against my credit card. I guarantee and warrant that I am the legal cardholder for this credit card, and that I am legally authorized to enter into this recurring billing agreement with North Star Graphics.
